Please submit a reflective essay addressed to the Liberal Arts and Sciences Portfolio Project Team.

We are interested in reading about

- The process you used in putting together the portfolio, including the total amount of time (hours/minutes) you spent in assembling your portfolio
- Anything you may have learned or affirmed about yourself through the portfolio process
- Your thoughts on portfolio assessment in general
- Your thoughts on other assessment instruments or practices here at Truman
- Your thoughts on your experiences and education while at Truman
- Your plans for the future
- Anything else you want to tell us

Please include to the best of your ability an address, a phone number, and/or an E-mail address where you think you might be reached over the next six months to a year.
