

ASSESSMENT COMMITTEE ANALYSIS AND REPORTING GROUP

January 25, 2006, 4:30pm
SUB Room 308

Those Present: David Gillette, Nabil Alghalith, Sue Pieper, Erika Woehlk, Dan Doman, Dean De Cock, David Hoffman

I. Data Warehousing – Sue Pieper

- A. S. Pieper will invite Dave Rector, Tammy Roberts, and possibly Nancy Hoffman to the February ARG meeting to discuss the data warehouse Truman is purchasing.
- B. The ARG will be able to provide input around June when the database is well on its way to being formed. The ARG will prepare questions to ask the guests next month.

II. Assessment Grants Update – Erika Woehlk

- A. The grant applicants were sent letters in December with the results of the review and recommendation. Two proposals are accepted, one was asked to be revised and resubmitted, and the fourth proposal was denied.
- B. E. Woehlk and S. Pieper will send reminders to the grant recipients to return their revised proposal (or agreement forms as the case may be) to the VPAA Office by January 31.

III. Research Projects – David Gillette & Erika Woehlk

- A. E. Woehlk distributed a handout with the ideas that have been generated by both assessment groups thus far.
- B. The ARG is charged with going through the list and determining which questions have data available in our existing assessment instruments that might begin to answer them. Bring your findings to the February meeting.
- C. The ARG will ask the Vice President for guidance after the February meeting.

IV. Announcements

- A. The NASFA Assessment Conference is accepting proposals until February 1. Contact S. Pieper if you (or a colleague) plan to submit a proposal.
- B. The Spring 2006 Assessment Colloquia are scheduled for February 28, March 28, and April 25. Contact S. Pieper if you have suggestions for the February or March dates.

The meeting adjourned at 5:10pm.
