

ASSESSMENT COMMITTEE ANALYSIS AND REPORTING GROUP

November 29, 2004, 4:00pm
Baldwin Hall 262

Those Present: David Gillette, Tom Marshall, David Hoffman, Sue Pieper, Erika Woehlk, John Ishiyama, Dean De Cock, Carol Thatcher

- I. Review of October Minutes – no changes
- II. Assessment Grant Guidelines Update
 - A. Under Eligibility and Restrictions, the final sentence in paragraph two was modified so that it now reads, “Members of the Review Committee are not eligible to receive an award during the current grant cycle.”
 - B. Division Office deadline will remain March 1 and VPAA Office deadline will remain March 8.
 - C. The grants will be advertised in Truman Today in December.
- III. Student Engagement Project – John Ishiyama
 - A. The continuing mission is to keep integrating more data and more cohorts into the database.
 - B. Project Ideas
 1. Answer these questions using attitudinal data instead of demographic: who leaves, who stays?
 2. Does Extended Freshman Week help retention and graduation rates? If so, do other integrative experiences do the same?
 3. Prove that finance is a factor in students’ decisions to leave.
- IV. Analysis Issues and Recommendations
 - A. Are we meeting the mission statement?
 - B. E. Woehlk will e-mail the ARG members the questions from the CSEQ, GSQ, and CIRP that are relevant to the University Mission Statement. ARG members will then edit the list of questions and finalize them so that J. Ishiyama can begin the research.
- V. Announcements
 - A. The ARG listserv is active again. E-mail anrg@truman.edu.
 - B. S. Pieper announced that AAHE is accepting proposals through December 15.

Meeting adjourned at 5:02pm
