I. Action Plan Progress Reports

A. Assessment in the disciplines update – Candy Young

1. The Higher Learning Commission was given access to the website.
2. The University community will be given access shortly. Disciplines will be asked to review the data present on the site and send suggestions for revisions to the Vice President's Office.

B. Mapping current assessments to LSP learning outcomes and UGC update – Erika Woehlk

1. E. Woehlk distributed the subcommittee's final report.
2. The Undergraduate Council has begun the examination of the achievement of the LSP Modes of Inquiry outcomes with the Historical Mode of Inquiry, partly based on this mapping project. The Council will continue through March with the Historical Mode and then proceed with the other Modes of Inquiry.
3. The entire "map" will be distributed electronically to DIG members following this meeting.

C. Other Reports

1. Writing Assessment – Sue Pieper
 - a. The Undergraduate Council will most likely vote on the proposal this month at their meeting on the 12th. The Writing Center will hold an open question and answer session later this month.
 - b. The University Conference on January 29 had a breakout session for the proposal, which was well attended.
2. There were no other reports.

II. Spring Projects

- A. DIG members were assigned to one of five projects.
- B. The subgroups should each recruit a student.
