VH 2151

Members Present: Karen Smith, Paul Yoder, Adrien Presley, Joseph Sencibaugh, Nancy Asher, Daette Lambert, Elaine McDuff, Charles Tomlinson

Members Absent: Andrei Klyukovski, Scott Alberts, Erin Blankers, Doug Davenport, Maria Di Stefano, Marty Eisenberg, Troy Paino

- K. Smith asked the members of the Assessment Committee if they want to share Truman's validity evidence relative to the CLA and CAAP with James Madison University. The committee agreed that we should share the data.
- 2010 Subcommittees
 - C. Tomlinson agreed to chair the Advising Subcommittee which will complete tasks such as reviewing the Task Force on Advising results, studying whether current assessment measures on advising adequately address the issue, and coming up with ways to assess all aspects of advising. A. Presley and S. Alberts will also serve on this subcommittee.
 - K. Smith volunteered to chair the Moods and Emotions Subcommittee which will find meaningful ways to follow up on the Student Interview Project. E. McDuff and P. Yoder will also serve on this subcommittee.
 - The chair for the Growth and Change Models Subcommittee will be announced at a later time. This subcommittee will look specifically at the CSXQ and discuss other assessments that might provide similar data. D. Davenport, M. Eisenberg, J. Sencibaugh and N. Asher will serve on this subcommittee.
 - Subcommittee members may invite others outside of the Assessment Committee to participate on each subcommittee. We will discuss assessment data at our February meeting, and subcommittees should plan to bring progress back to our March meeting.
- The next Assessment Committee meeting will be on Wednesday, February 10 at 2:30 P.M. in VH 2151.
