

ASSESSMENT COMMITTEE: Analysis and Reporting Group

**May 1, 2003, 2:30pm
VH 2251**

Those Present: Erika Woehlk, Carol Hoferkamp, Sally Cook, Ruthie Dare-Halma, David Hoffman, John Ishiyama

- I. Data Project
 - A. John will merge the 2000 CIRP data with the 2002 CSEQ data.
 - B. Will focus on retention-related questions first. Possible survey questions are:
 1. To deal with first-generation, low income students. Compare self-reported data with students who received Pell Grants.
 2. Have many choices for variables on the CIRP.
- II. Updated Assessment Plan. The ARG will now be responsible for:
 - A. By Fall 2003: Assessing the current level of student motivation by content analysis of past LAS Portfolio cover letters.
 - B. By Fall 2003: Assessing the current level of student motivation by analysis of past Interview Project data.
 - C. By Fall 2003: Assessing the current level of student motivation by analysis of motivation questions on past freshmen and junior tests.
- III. Think about the data request approval process. Sue will survey other schools to see if they have policies and/or procedures that may be applicable to Truman.

Meeting adjourned at 4:50pm.
