

## Chapter XXV: LOCAL ALUMNI DATA AND EMPLOYER SURVEY

This chapter contains the university's alumni survey and an employer's survey. The first is the University's own survey which is sent to alumni every three years. The survey is followed by the data. The second survey is the local employer survey, it is sent out within a year after the local alumni survey. This survey is sent to employers whom alumni gave consent to contact with this survey. This survey is the University's own. The survey is followed by the data.
